Dear Mrs. Reimche:

Pursuant to Government Code Section 14681.5, this is 60 days advance notification that the State of California, Department of Transportation (Caltrans), is proposing to purchase a modular building for office space at our Lodi Maintenance Station.

The address of this building is 845 E. Pine Street, Lodi, California 95240. We propose to relocate our Special Services Crews to our Lodi Maintenance Station (40 people), and the Lodi Crew to our Stockton Maintenance Station (10 people). In order to accommodate crew space and office space, we are purchasing a 1440 sq. ft. building to be used for office space for our Superintendent and Supervisors. Estimated date of installation November 1, 1988.

If you should have questions or comments, please feel free to contact Linda Andris, of my staff, at 1976 E. Charter Way, Stockton, telephone: 948-3871.
